FOREWORD

PLAINVILLE IN KANSAS

Plainville is historically known as the "Queen City of the Paradise Flats" deriving its name from the large level plain situated at the head of Paradise Creek where the buffalo, deer and antelope made this area a "Hunter's Paradise."

The north half of the original town site was first settled in 1876 and developed quickly into a farming and ranching community. The city was incorporated on July 11, 1888. For some years the oil fields have played a part in our community, but from 1948 to 1955, Plainville experienced a real "oil Boom." Today, Plainville can proudly boast the largest population (3100) in Rooks County, the only hospital in the county and many other advantages.

The Plainville High School system has been one of the finest in Kansas since its beginning in 1901 and was the first in the county to be fully accredited by the State University. On November 22, 1948 the Plainville Rural High School District was formed, and in 1952 the student body moved into the first building built exclusively for the high school's use. PRHS is a member of the Mid-Continent League and was accepted into the North Central Association of Colleges and Secondary Schools in 1954. PRHS is fully accredited by the State Department and offers 40 1/4 units of credit to the 249 students enrolled.

As the people of Plainville and students of PRHS work together for a better future they can be justly proud of their past and those hardy settlers of 1876. The citizens of Plainville are especially proud of their state as they celebrate her Centennial year in 1961. They take great pride in her because every American is a Kansan through spirit, enthusiasm and effort. God bless her courage.

SCHOOL PERSONNEL

The school personnel of PRHS is responsible for keeping the school and grounds clean, driving the buses to and from school and carrying out the school lunch program.

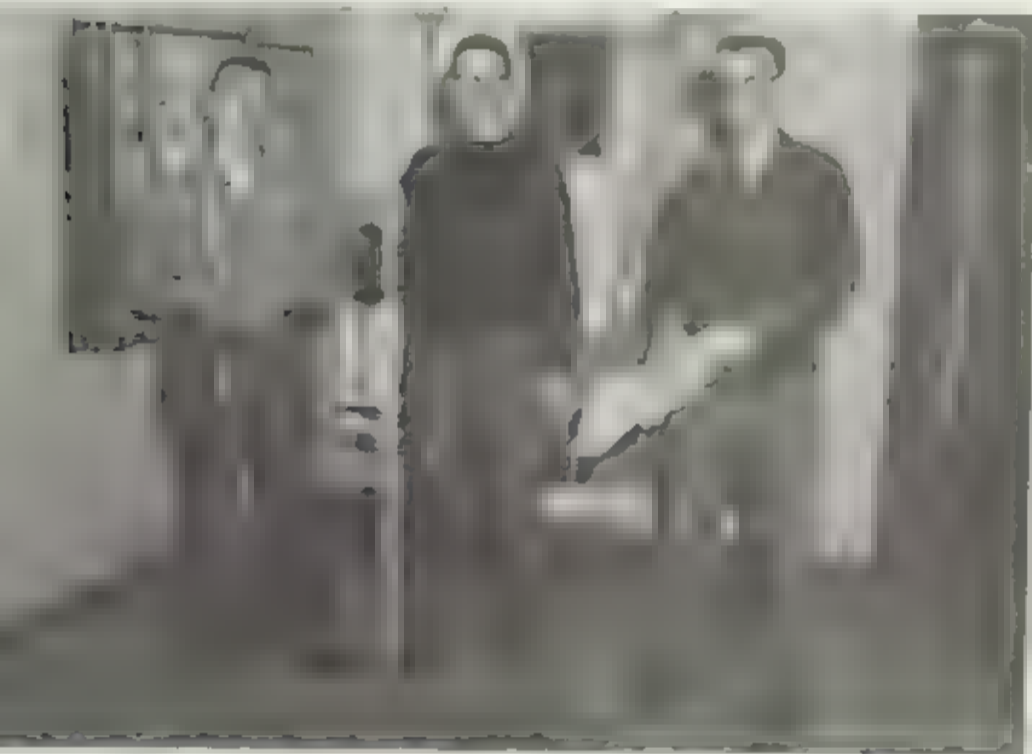

The longest serving member of PRHS's staff, having been here for 12 years, is custodian "Scotty" Riedell, who oversees the janitorial work done throughout the building. Helping him for the past two years have been David Darnell and Tim Cussen; Bill Eaves, three years.

Four buses, contracted from Mr. Lee Smith, Codell, provide rural students with safe and convenient transportation.

Under the supervision of Mrs. Elmo Hamblet, head cook, the cooks serve on the average of 600 meals a day to high school and grade school pupils.

NATIONAL HONOR SOCIETY

To be chosen as a member of the National Honor Society is the highest honor that any high school student can attain.

The purpose of this organization is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership and to develop character in the students of American secondary schools.

Candidates eligible to membership in this nation-wide organization must have a scholarship rank in the top one-third of their respective classes. They must be juniors or seniors and have spent at least one year at PRHS.

For the first time at PRHS an initiation ceremony was held in the auditorium, March 3, for the seven new members.

Mr. Donald Black served as the master of ceremonies while these senior members who were elected to the society during their junior year gave short readings: Kay Smardo, character; Sheril Hockett, scholarship; David Darnell, leadership; Alice Evans, service.

Parents of all the members were invited to attend the ceremony.

STUDENT COUNCIL

The Student Council sponsors Mr. Ray Kartz for 13 months a year. Each class has a boy and a girl as representatives. Pep Club, F.H.A., F.F.A. and P-Club each have one representative.

The president of the Student Council must be a senior. The nominees for this office are obtained by a petition containing the signatures of 50 students. Each candidate is given the opportunity to prove his ability as a leader by a 20-minute speech before a 100-student assembly. Candidates this year were Kay Smardo, David Darnell, Ralph Voss and Robert Kerns. During the assembly by the use of secret ballots, the student body elects the president.

The Student Council should have a great responsibility as it is called on handling. The first thing a council must realize is that the principal must be responsible for the administration of the school. Naturally the council must be the right arm of the Student Council. It will make an honest effort to set up projects within their power.

It is with this in mind that the following duties of the Student Council are given: 1. To recommend policies pertaining to student welfare; 2. To promote good citizenship; 3. To supervise and conduct general elections; 4. To establish standards for the award system; 5. To enhance the school's social program.

President David Darnell presides at an assembly.

The Future Homemakers of America was chartered in Kansas, March 1946, and instituted in P. R. H. S. in either 1946 or 1947.

Several activities have been sponsored this year by the organization under the direction of Mrs. Loma Stullken. Among them were the F. H. A. new-member initiation party, September 26, the Christmas party, December 21 and the Sweetheart Ball, February 18.

The chapter won a first place blue ribbon at the Rooks County Free Fair in August.

Appearing on KCKT-TV, Channel 2, Great Bend, September 26, on the Better Home Living program were F. H. A. members Rae Lee Lyon, Marilyn Kaba and Delores Hutchcraft, who gave a demonstration about good table manners.

"Laugh, Live and Learn with F. H. A.," was the theme of the District II F. H. A. convention held at Stockton, October 15, which was attended by 23 chapter members.

Third place prize of \$5 was awarded to the chapter, December 10, in the conservation poster contest sponsored by the Rooks County Soil Conservation District, Stockton. The poster was drawn and painted by Freshman Sherrie Smardo.

The Christmas tree that was placed in the front hall during the Yuletide season was decorated by F. H. A. members.

FFA

Organized in November 1928, The Future Farmers of America has served to motivate and vitalize the systematic instruction offered to students of vocational agriculture and to provide further training in farmer citizenship.

Under the direction of Mr. Marvin Hachmeister, F.F.A. leader, the chapter program consists of eight major areas of work; supervised farming, co-operation, community service, leadership, scholarship, earnings and savings, conduct of meetings, and recreation.

Several activities have been sponsored by the chapter this year: the annual Barnwarmer, November 11; the Yule party, December 23; Pancake Feed, January 28; Father-Son Chili Supper, March 3; Parent-Son Banquet, May.

Taking top honors, December 10, in the conservation poster contest sponsored by the Rooks County Soil Conservation District was the Plainville F.F.A. The poster, drawn by Ron Werner, took first place prize, \$15.

At the Quinter Crop judging contest, February 6, Plainville came in seventh.

Junior Mike Stahl acted as the master of ceremonies while seniors Rod Hugley and Larry Alkire were the scorekeeper and the timekeeper.

Mr. Gilbert Segovia and Mrs. Lorna Stullken, P. R. H. S. instructors, served as judges in the contest.

Questions ranging from the category of riddles to driver training, which are asked the contestants, are submitted by P. R. H. S. teachers. A new group of questions was asked this year. Each correctly answered question within 15 seconds is worth five points. At the conclusion of the battle of the brains, the side with the greatest number of points is the winner.

The senior girl or boy of the losing team must bow down and kiss the feet of the senior of the opposite side while declaring that team to be the "superior sex."

CONCESSIONS

Gary Anderson, Tom Houser.

Mr. Parker, Carol Mathew, Mary Ruth Adams

The concession stand, under the direction of Mr. Harry Parker, was in operation during the 13 home games during football and basketball season. The following groups participated in the operation of the stand by loaning their members for an evening or two: the four classes, Pep Club, P-Club, FHA, FFA and the Student Council.

The money made from the sale of the concessions was divided among the classes and organizations that helped.

A new 10' X 14' concession stand is to be erected next year to replace the present one located near the football field.

Mr. Parker wishes to express his appreciation to the students who helped make the concession stand a success this year.
